

**Welcome to Beaumont Primary School
phonics workshop for parents!**

Phonics in Reception

First the children learn to recognise, say, and do an action when they see the first set of most frequently used letter sounds. At the same time, they learn to write the sounds as pre-cursive letters.

Phase 2 Sound Mat

a 	b 	c 	ck 	d 	e 	f 	ff

a

(Tune: Skip to My Lou)

/a- /a! Ants on my arm.
/a- /a! Ants on my arm.
/a- /a! Ants on my arm.
They're causing me alarm.

Action: Wiggle your fingers above your elbow, as if ants are crawling on you, and say, a, a, a, a!

Phonics in Reception

Once they can confidently recognise all the letter sounds in the first set, put them together to read simple words, and sound them out to spell, they then start working on the next set of sounds. At this point, they also start to learn the most frequently used “tricky words” which cannot be read nor written using phonics at this stage of the children’s learning.

We deliberately do not teach the names of the letters of the alphabet until the children can confidently use their sound knowledge to read and write simple sentences. This is to ensure that the instinctively say the sound, rather than the letter name, when they attempt to read and write.
