

Vision statement: what we **intend** to achieve

* confident learners who are eager to discover the world around them, supported by a creative and inclusive curriculum, providing learning experiences that prepare them to live in a rapidly changing world, catering for their personal needs and exciting their thirst for learning.

* Learning Community Partnership, where aspirations bring everyone together following the school's golden rules of 'being polite, kind and hardworking' and where the school's mantra of "There is no glass ceiling!" is genuinely believed by everyone.

* a strong focus on the essential knowledge and skills that will prepare our pupils well for the next stage of their education and for life in modern Britain.

The core purpose of our school is to improve the life chances of every pupil through learning.

* all children having a good understanding of how to keep themselves safe in the real and online world.

* an environment where learning opportunities are tailored and responsive to the needs of the children to ensure every child makes outstanding progress.
