Policy for Charging and Remissions

Beaumont Primary School

Charging and Remissions Policy

Introduction

The Headteacher and Board of Governors recognises the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Head Teacher and Board of Governors aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost. This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

Statement

The policy complies with the requirements of the Education Act 1996.

Where 'parent' is referred to this will include adults with a responsibility for the pupil.

We aim:-

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget.

Legislation – Educational During School Hours

The DfE in its guidance to School Governors states that “education provided during school hours must be free. The definition of “education” includes materials, equipment and transport provided in school hours by school to carry pupils between the school and an activity.” It goes on to advise that “although schools cannot charge for school time activities, they still invite parents and others to make voluntary contributions (in cash or in kind)”

When additional costs are incurred by Beaumont Primary School to enhance the curriculum opportunities for the pupils, parents may be requested to make voluntary contributions. However, no pupil will be left out of an activity because his or her parents cannot or will not make a contribution of any kind.

Education Outside School Hours

The DfE in its guidance to School Governors states that “Parents can only be charged for activities that happen outside school hours when these activities are not a necessary part of the national curriculum or religious education. No charge can be made for activities that are an essential part of the syllabus for an approved examination. Charges may be made for other activities that happen outside school hours if parents agree to pay. The Education Reform Act 1988 described activities, which can be charged for as “optional extras”.

Remissions

To ensure that access to activities reflects intentions, Beaumont Primary School will implement the following Remissions Policy. The fundamental aim of this policy is to ensure that all pupils gain fully from everything that the school is able to offer them and is based on an understanding of the relationship between low income, entitlement and access. This policy takes into account the very real and persistent difficulties which people on low income have in meeting the costs of educational activities for their children.

Where parents are in receipt of Income Support, Income Based Jobseekers Allowance, Support under part IV of the Immigration & Asylum Act 1999 or Child Tax Credit (provided that Working Tax Credit is not also received), the Board of Governors will observe its statutory requirement to remit in full the cost of board and lodgings for any residential activity that the school organised for the pupil if the activity is deemed to take place within school hours.

There may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity the Board of Governors will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Head Teacher in consultation with the Chair of Governors.

Data Protection of pupils and families

Teachers will ensure that these children are not publicly identified and stigmatised. This is particularly important as the fear of stigmatisation is often a key element in the non-take up of Free School Meals. This will be accomplished by developing methods of collecting voluntary charges or dinner money, which do not identify children who do not contribute. Contributions towards School Fund will be requested at the start and end of every term half term through the school newsletter (Mufti Days £1.00).

Contributions

Voluntary contributions may be requested to help with providing activities even though they may be part of the normal school day or part of the National Curriculum.

If voluntary contributions are requested for an activity it should be clearly understood that there is no obligation to contribute and that if the parent is unable or unwilling to pay, the child will not be excluded from the activity.

If sufficient contributions are not received the activity may be cancelled.

Charges

The Board of Governors reserves the right to make a charge for the activities and items detailed below:

- Trips which are not part of the school curriculum or are outside the school day
- After school and pre-school clubs
- Damage to school property - the cost of replacing any item, such as a broken window or defaced, damaged or lost book, where this is a result of a pupil's behaviour
- Visits to school by professionals e.g. Authors, storytellers, musicians, dancers, artists etc.
- Damage to school books (Reading scheme)

Individual Music Tuition

Charges may be made to parents for individual or group tuition in playing any musical instrument, even if such tuition takes place during school hours. Parental agreement and a signed contract will be obtained before the tuition is provided.

Ingredients or Materials for Practical Subjects

Parents are encouraged to provide ingredients, materials, etc. needed for practical subjects such as Technology. The Board of Governors may charge for, at cost or less, or require the supply of, ingredients and materials if parents have indicated, in advance, their wish to own the finished product.

Breakages and Damage to School Buildings, Furniture or Property

Parents will be charged for damage caused as a result of a pupil's behaviour.

Residential Activity

The DfE in its guidance to School Governors states that "For a residential activity taking place largely during school time, or essential to the education provided at the school, no charge may be made for either the education or the costs of the travel.

However, charges will be made for board and lodging in these circumstances, except for pupils who are receiving Income Support or Family Credit. The Head Teacher will tell all parents of the right to claim free activities if they are in receipt of these benefits." A voluntary contribution will be requested by the school for such activities.

(Beaumont Primary School will follow the relevant legislation as contained in the Education Reform Act 1988: Section 106 – 111,117, and 118. The guidance is contained in the DCSF circular 2/89: Charges for School Activities).

Photocopying

Any photocopying that is requested by parents relating to their child, under the 'Freedom of Information Act', will be charged at 10p per sheet and 20p for any colour printing.

The Board of Governors may, from time to time, amend the categories of activity for which a charge may be made.

Nothing in this policy statement precludes the Board of Governors from inviting parents to make a voluntary contribution towards the cost of providing education for pupils.

Policy of Equality Statement

The Board of Governors and School is committed to a policy of equality and aims to ensure that no employee, job applicant, pupil or other member of the school community is treated less favourably on grounds of sex, race, colour, ethnic or national origin, marital status, age, sexual orientation, disability or religious belief.
