

**Beaumont
Primary
School**

A Learning Community Partnership

4th January 2021

Dear Parents / Carers,

Please notify the Office by telephone or email – office@beaumont.croydon.sch.uk – ASAP (**no later than 12 noon today**) if you think your child / children is / are eligible for a critical workers' place commencing tomorrow Tuesday 5th January.

I would ask you to consider this very carefully as we do need to reduce the risk of transmission as this variant is now so contagious particularly in young children.

You cannot arrive at school without the correct procedures being followed.

Thank you,

Anne Morrell
Headteacher
